Sufferers

FROM Stomach and Liver derangement—Dyspepsia, Bilelessness, Sick-headaches, Constipation, Indigestion and certain relief can be found in Ayer's Pills. In all cases where cathartic is needed, these Pills are recommended by leading physicians.

Dr. T. E. Hastings, of Baltimore, writes: "Ayer's Pills are the best I have ever used, and appear without the least of their usual effects upon the bowels of my professional patients."

Dr. John W. Brown, of Oceana, W. Va., writes: "I have used your Pills in my practice, and find them exceedingly useful for general use in families."

"For a number of years I was afflicted with constipation, which sometimes troubled me hourly. I tried various remedies, and nothing afforded me much relief until I began to take Ayer's Pills."—G. S. Windley, New York City.

"I have used Ayer's Pills for the past thirty years, and am satisfied I should not be able today if it had not been for them. They cured me of dyspepsia and other troubles, and I feel now as healthy as I was before. My wife and children also have taken them, and they have never failed to give satisfaction."—J. C. Clester, Jr., New York City.

"Having been subject, for years, to constipation, headache, indigestion, and a morbid bile, I at last tried Ayer's Pills, and after taking one box, I felt compelled to testify that I have derived great benefit from each of these pills. For over ten years ago I have taken of your Pills every day before retiring. I would not have been able to do so without your Pills."—J. C. Clester, Jr., New York City.

Dr. Geo. W. Allen has been used in my clinical practice, and I have verified all its claims. It cures biliousness, dyspepsia, and all the ailments from which I suffer many times a year, and affords me the most reliable remedy known to man."—Thomas F. Adams, Wall Street, New York.
